# SPILL KITS

Rolling Bearings West

### Oil only 120 & 240 litre

Wheelie site spill kits to suit oil, fuels, diesel and oil based products

120L Code: ASK0020E  
240L Code: ASK0050E

### General purpose 120 & 240 litre

Wheelie site spill kits to suit Oil and non hazardous water based liquids

120L Code: ASK0030E  
240L Code: ASK0060E

### Hazchem 120 & 240 litre

Wheelie site spill kits to suit Dangerous goods and hazardous chemicals

120L Code: ASK0010E  
240L Code: ASK0040E

### Oil / fuel only transport

Vehicle and small use spill kits for oil and fuel only liquids

20L Code: SOS0015E  
40L Code: SOS0040E

### General purpose transport

Vehicle and small use spill kit for oil and non hazardous water based

20L Code: SOS0020E  
40L Code: SOS0041E

### Hazchem transport

Vehicle and small use spill kits for dangerous goods and hazardous chemicals

20L Code: SOS0025E  
40L Code: SOS0042E

### Bio waste spill kit

Single use bio waste spill kit

Code: 0437

### Mercury Spill kit

Single use mercury spill kit

Code: MERC I

# ABSORBENT PADS

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

## Universal (General purpose pads)

Heavy weight bonded General purpose pads for use on oil and non aggressive water based spills and mild chemicals

Absorbency 1.1—1.2 litres per pad ( 100 pads per carton)

**Code: USG-75SK**

## Oil / Fuel only absorbent pads

Heavy weight bonded pads. Use on oil, petroleum, diesel and grease. Repels water and floats. Use on land or water.

Absorbency 1.1—1.2 litres per pad ( 100 pads per carton)

**Code: OWS-75SK**

## HAZCHEM absorbent pads

Heavy or light weight absorbent pads for use on oil based spills and aggressive chemicals including acids, solvents, Alkalis. Absorbency light weight pads .6 litre and heavy weight 1.1—1.2 litres

**Code: HSY-70SK ( light weight 200 per carton)**  
**Code: HSY-75SK ( heavy weight 100 per carton)**

## Recycled pads ( Sustayn)

Environmentally friendly oil only and general purpose pads. Available in General purpose and Oil / fuel only

Absorbency 1.1—1.2 litres ( 100 per carton)

**Code (GP): USR-75**  
**Code (oil only) OSR-75**

# ABSORBENT ROLLS

Rolling Bearings West

	<p><b>General purpose—Universal rolls</b>                  Heavy weight perforated bonded General purpose pads on roll for use on oil and non aggressive water based spills and mild chemicals.</p> <p><b>Code: USG-90SK</b></p>
	<p><b>Oil / fuel only absorbent rolls</b>                  Heavy weight perforated bonded pads on roll. Use on oil, petroleum, diesel and grease. Repels water and floats. Use on land or water.</p> <p><b>Code: OSW-90SK</b></p>
	<p><b>HAZCHEM absorbent rolls</b>                  Heavy weight absorbent pads for use on oil based spills and aggressive chemicals including acids, solvents, Alkalis.</p> <p><b>Code: HSY-90SK</b></p>

	<p><b>General purpose wipes</b>                  Easy to carry dispenser pack and ultra absorbent. Suit a variety of applications</p> <p>Blue: glass cleaning, oil and grease clean up, heavy duty.</p> <p>White: water, grease and oil. Medium to heavy duty</p> <p><b>Code: 50350 (Blue)</b></p> <p><b>Code: 51750 (White)</b></p>

# PILLOWS & SPECIALIST ABSORBENTS

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

## **Pillows**

240 x 240 pillows. Absorbency approx. 4—4.5 litres

20 Pillows per carton

**Code: S2—6I Hazchem**

**Code: M6I Oil / fuel only**

**Code:G6I General purpose**

## **Pillow in Pan**

240 x 240mm pillows contained in a plastic tub to prevent leaks and drips

20 per carton

**Code: M111 Oil / fuel only**

**Code:G111 General purpose**

## **Pump Jack absorbent**

Absorbent pillows with Velcro tabs to wrap around leaking pipes

10 per pack

**Code: 7500542**

## **Railway Track Matting**

### **Bottom Layer**

200 micron UV stabilised virgin Polyethylene.

### **Middle Layer**

400gsm Needle punched polypropylene and hydrophobic. Absorbs 15 times its weight in oil using SAE20W50.

### **Top Layer**

Polypropylene -200micron Virgin permeable Poland UV stabilised for three years.

**Code: SCO1405**

# SPECIALIST ABSORBENTS

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

## Drum tops

Catch drips and leaks on top of 205 litre drums

56cm diameter. 25 pads per pack

**Code: USG-76**

---

## Absorbent rig rugs

Extra large heavy duty rugs for use on rigs and platforms

1626 x 48 metres perforated every 576mm

**Code: M150**

---

## Oil snares and pom poms

Perfect for shore line clean up operations and in rock pools / river banks. Sold individually or in succession on a rope

**Code: OS-VOB / Bag**

---

## Poly backed traffic rug

Poly back rugs, suitable for use over carpet and where floor surfaces need to be kept clean. The rug can be rolled up and reused. Suitable for lift and elevator mechanics, painters etc.

914mm x 30 metres

**Code: TR—91**

---

# BOOMS

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

### General purpose Mini Booms

Use on oil and non aggressive water based chemical spills

**Code: USG-34** 75mm x 1.5 mtre (40 per carton)

**Code: USG-37** 75mm x 3.0mtre (6 per carton)

**Code: G1295** 100mm x 1.5mtre (12 per carton)

---

### Oil / Fuel only Mini Booms

Use on oil, petroleum, fuel and diesel only

**Code: OSW-34** 75mm x 1.5 mtre (40 per carton)

**Code: OSW-37** 75mm x 3.0mtre (6 per carton)

**Code: M1229** 100mm x 1.5mtre (12 per carton)

---

### HAZCHEM Mini Booms

Use on oil and aggressive water based chemical spills including acids, Alkalis and solvent

**Code: HSY-34** 75mm x 1.5 mtre (40 per carton)

**Code: HSY-37** 75mm x 3.0mtre (6 per carton)

---

### Floating marine booms

200mm x 3.0 mtre international standard floating marine booms. For use on rivers, ocean, estuaries, lakes, ponds, tanks. Absorbency 45 litres

Each boom is double skinned and complete with snatch hooks and rope for easy joining

**Code: ASCO 1725** (4 booms per pack)

---

# SPECIALIST BOOMS & MARINE

Rolling Bearings West

**Organic Boom**

Bio degradable boom with organic coir peat fill. For use on oil and water based spills

6 booms per pack

**Code: ALG 75 - 15 ( 75mm x 1.5mtre)**

**Code: ALG 75 - 30 (75mm x 3.0mtre)**

**Mini Fence Boom—Light duty**

For temporary deployment in sheltered water and tanks

Non absorbent

Various sizes and configurations available

**Fence Boom—heavy duty**

For permanent / temporary deployment in harbors and open water

Non absorbent

Various sizes and configurations available

**Silt Curtain boom**

Floating Silt curtain booms supplied complete with polystyrene float and chain

Various drafts lengths available from 1—2.5 meters.

Suitable for sheltered or still water application and used to trap and contain silt, sediment and debris in water.

# SPECIAL CONTAINMENT

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

## Silt booms

Used for containment of silt, sediment and soil. Used in and around construction sites to prevent contaminated solids entering drains. Fill with blue metal on site.

Length 1 metre to 50 metre

Code: SB200

---

## Oil Sweep ( Boom)

16" x 100' with ties either end

Code: M-80

---

## Sand bags

Contain water and hydrocarbons. Reusable—non absorbent

1, 2 and 3 metre lengths

---

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

### Absorbent bed pads

Cellulose based pads and fatigue liners

Variety sizes available

**Code: 15040** 100mm x 46 metres

---

### Hazmat lab pads

Designed to absorb dangerous chemicals in laboratories, hospitals and storage areas.

**Code HSY-70** 41 x 46cm ( 200 per carton) Thin 200GSM  
**Code HSY-75** 41 x 46cm ( 100 per carton) Thick 350GSM

---

### Hands in a Bag—atmospheric chamber

Portable atmospheric chamber when working with potentially dangerous materials it can be inflated, sealed and purged.

Variety of sizes available

**Code: 690325** 30x 76 x 68cm

---

### Chemical classifier strips

Use to identify chemicals

10 strips per pack

**Code: 570010**

---

### Absorbent operating theatre pads

Non slip, plastic backed operating theatre pads for use under operating tables. Reduce the need to clean floor surfaces post operation. Non lint. 810 x 1110 cm

Absorbency per pack 121 litres

Pack qty 30

**Code: G-3244H**

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

### Clean room absorbent pillows

Perfect for hospital, laboratory, research and clean room environment. Low lint and Hazmat pillows encased in a standard tear resistant—low lint outer casing. Static resistant

**Code: 222004** Medium duty absorbent pillow 21 x 42cm

**Code: 222016** Heavy duty sorbent pillow 46x46cm

---

### Acid & Alkali Neutralisers

Chemical and powder neutralisers. Liquid formulation reduces gas. Use liquid on small spills and powder on larger spills. Colour indicator

**Code 410001** Liquid acid neutralizer .94Litre ( 12 per case)

**Code: 440001** Dry Acid neutralizer .9kg shaker bottle (10 per case)

**Code 430001** Liquid Base / Alkaline Neutraliser .94 litre ( 12 per case)

**Code: 450001** Dry Base / Alkali Neutraliser .9kg shaker bottle ( 10 per case)

---

### Spun bond—low lint wipes

Low lint spun bond soft laboratory grade grab and go wipes in roll or carton format

**Code: 56200** Grab and go carton

---

### Clean room absorbent pads

Perfect for hospital, laboratory, research and clean room environment. Low lint and pads encased in a standard tear resistant—low lint outer casing. Static resistant

**Code: 225122** Extra Low lint – sorbent pad 30 x 30cm

Rolls also available

---

### Formaldehyde Solidifier & Mercury Amalgam powder

Immobilize Formalin and minimize off gassing

Use Mercury Amalgamation powder to convert mercury into an Amalgam

**Code: 480001** Formaldehyde Solidifier .9kg) Shaker bottle

**Code: 523250** Mercury Amalgamation powder 250gram

**Code: 522500** Mercury Amalgamation powder 2.5kg Shaker bottle

---

# FLOOR SWEEP ABSORBENTS

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

## Spillzorbe floor sweep absorbent

Universal heavy duty mineral based floor sweep absorbent for use on hydrocarbons, paints, caustic, solvent, some acids, dangerous goods. Outdoor and indoor use

Wind resistant, EPA and Worksafe compliant

100 x 10kg Bags per pallet

Code: ALLZEO1 (10kg bag)  
Code: ALLZEO2 (2.5kg bag)

## Organic floor sweep absorbent

Organic coir peat—ideal for workshops and perfect to use on hydrocarbon spills on smooth shiny surfaces

72 x Bags per pallet

Code: 0437 (50 litre Bags)

## Zorbe—Bio waste absorbent

Use on blood and body fluid spills to safely and effectively clean up

Code: 0727 500ml sachet  
Code: 0468 7 litre jug

## Zorbe—Indoor spill clean up powder

Perfect for the hospitality industry for use on hard floors, carpet and upholstery. Clean up oil, plant, food stuff, beverage and body fluids with ease. No more need for the mop and bucket. 20litre pail complete with plastic application scoop

Code: Zorbe 20

## Specialist absorbents

Acid, solvent, Formaldehyde absorbents

# SPILL ACCESSORIES

Rolling Bearings West

### Slip and Fall prevention absorbents and treatments

A number of different anti slip treatments and specialist application absorbents are available to suit specific applications.

### Gap Seal putty

Immediate response putty for application to ruptured, split, cracked or punctured drums and tanks.

No need to add water, The putty is ready mixed and suitable for immediate application. 450 gram

**Code: PLU 450**

### Spilvac

Air operated vacuums

49 litre. Other sizes also available

2 litre per second suction

**Code: SV49**

### Audit covers

Water resistant covers to suit 120 litre and 240 litre wheelie bins. Prevents rubbish being placed in bins.

Available in Red, Blue and Yellow

**Code: AC120 ( 120 litre)**

**Code: AC240 ( 240 litre)**

**Specify colour on order**

### Single use bio waste spill kit signs

Attach your single use bio waste spill kit easily to these easily identifiable printed instruction boards

**Code: BIO1**

# BAGS

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

### Contaminated waste disposal bags

Heavy duty 48 x 68 cm clear bags suitable for contaminated waste disposal. 100 Bags per carton

**Code: CWB-IM-55T**

---

### Clinical waste disposal bags

For disposal of clinical and bio waste

100 Bags per carton

**Code: CWB-I**

---

### Bio degradable Hydrocarbon disposal bags

160 UM 48 x 68cm for disposal of hydrocarbon only waste

100 Bags per carton

**Code: BDB40**

---

# SCOOPS, SHOVELS, OVERPACKS

Rolling Bearings West

## Shovels—Intrinsically safe

Various sizes and colours available

Ergonomic and perfect for food manufacture sites and flammable goods storage areas

## Scoops—Intrinsically safe

Various sizes, shapes, colours and qualities available to suit many applications

## Overpack container

Small sizes

## Overpack containers

Large 205 litre

# DRAIN PROTECTION

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

## Drain warden

Geotextile fabric skirt complete with hydrocarbon absorbent bilge rat to collect hydrocarbon pollutants. Trap silt, sediment, litter and debris and prevent from entering open top storm water drains.

Standard size 1.2 x 1.2 metres and can be cut down to suit any drain.

**Code: SCDWI3001**

---

## IBC Drum pallet bund

Safe and effective storage of 1000 litre IBC's

Forkliftable with drainage bung

**Code: IBC1000**

---

## 4 Drum Pallet Bund

Store up to 5 x 205 litre drums

Steel reinforced internal

**Code: SP4**

---

## 2 Drum pallet Bund

Store 2 x 205 litre drums

**Code: SP2**

## Customised collapsible bunds

# DAIRY INDUSTRY

[www.rollingbearingswest.com.au](http://www.rollingbearingswest.com.au)

---

### Dairy Utility Wipe

Response brand Dairy Towels product. 1-ply White Heavy-Weight Embossed Single-Fold Towel (Pop-Out Box);

**Code: 21168** 168 / box; 12 boxes/case

---

### CHG Dairy Wipes

Sanitizing Teats in pre and post milking process without dips or foams. Prepping and cleaning injection sites and other treatable areas of livestock. Active Ingredient: Chlorhexidine Gluconate (CHG).

**Code: 42800** 1000 wipes per pail

**Code: 41800** 1000 wipes per refill bag

### Iodine Dairy Wipes

Sanitizing Teats in pre and post milking process without dips or foams. Prepping and cleaning injection sites and other treatable areas of livestock. Active Ingredient: 0.5% Iodine by Volume.

**Code: 44800** 1000 wipes per pail

**Code: 43800** 1000 wipes per refill bag

# CONTAINMENT & BUNDING

---

## Self Adhesive bunding

Foam bunding for light duty traffic areas

25mm x 240 x 950mm lengths—yellow

**Code: SCSBB07306**

---

## Connectable spill berm

Chemical resistant inter connecting, reusable booms.

70mm x 3.0 metre length

**Code: SPB10C**

## Drain seal covers—reusable

90 x 90cm and 120 x 120 cm covers available including PVC storage cover

**Code: SS-3636** (90 x 90cm)

**Code: SS-4848** (120 x 120cm)

## Permanent storm water filters

Many different sizes, shapes and configurations available. Lead time applicable to these products

# High Visibility pads

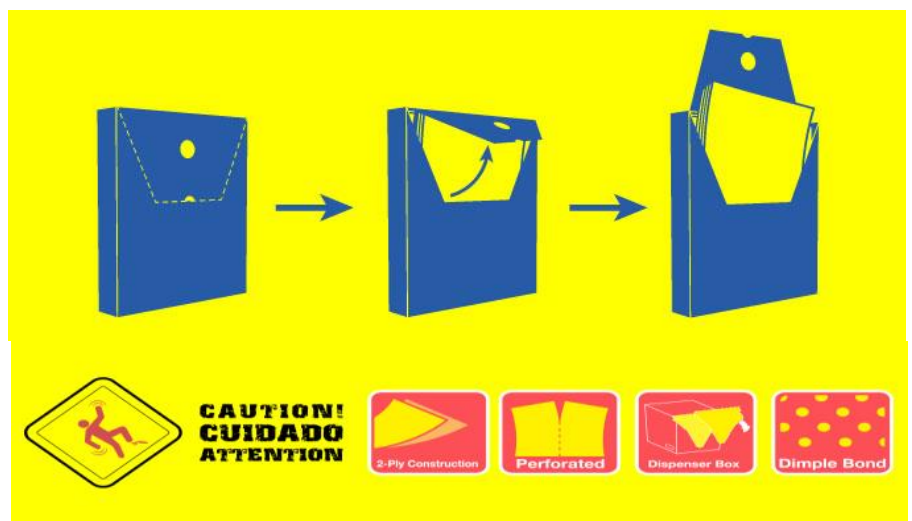

## Features & Benefits:

- Pads are stored in a compact, convenient dispenser pack.
- Dispenser pack can be mounted or hung almost anywhere using pre-cut mounting hole.
- Pads stay protected when not in use.
- Ideal for high traffic areas where the risk for slips, trips and falls is present.
- High-Visibility print layer is strong and also tear resistant.
- Use on mild chemicals, oils, paint, fuel, water based substances

## Applications:

- **Public venues**
- **Shopping centres**
- **Supermarkets**
- **Offices**
- **Warehouses**
- **Airports, stations, terminals**

Code	Description	Size	Packaging	Absorbency (Gal/Liter)
