Great looking tools you can rely on

Typhoon Tools really is the perfect balance of quality, price, reliability of supply and outstanding visual appeal. Attributes that are appealing to both the retailer and end user, with everybody getting more bang for their buck.

We are a wholly owned and independent Australian company with extensive experience in the wholesale tool business and we have always made it our business to know and understand the market place.

That knowledge is what has driven us to search, as we have, for the right product mix – at the right prices. Where we can combine these with our renowned approach to customer service and lifetime guarantees to complete a compelling offer to our customers.

Our objective is your satisfaction

Our ultimate objective, whether you are a retailer or the end user, is to provide you with products that are made well, look great, are priced right and are covered by a 'no-fuss' lifetime warranty. With an ever expanding product range this all makes Typhoon an easy tool brand to choose, work with and rely on!
